BOBWHITE QUAIL

BirdNirds is a free program provided by Master Birders, Marcus & Whitney Edwards, at the ECO Center typically on the fourth Thursday of the month. Birders of all ages are encouraged to attend to learn about specific bird species, make connections, share tips, and teach others the art of birding.

- **Meet downstairs in ECO Center classroom for "Bird University" followed by a guided bird walk in the park.**
- **Binoculars are helpful but not a requirement.**
- **Children must be accompanied by an adult at all times.**
